Abstract

The project is defined in order to reduce accidents caused by drivers of public vehicles. In the first phase, we will hold the educational workshops with drivers of public vehicles. The teachers of these workshops are the best professors in the field of Road Safety. The main topics of the program are non-standard roads and drowsiness, nutrition and drowsiness, sign and symptoms in sleep medicine, prevention of drowsiness, and conditions of inside the car.

Keywords: Workshop, Road Safety, Drowsiness.
