## Oral Presentation

### The Best Practice in Supporting Gifted and Talented Children in 21st Century

Roya Klingner\*

Head of Global Center for Gifted and Talented Children, Munich, Germany

*Published: 17 January, 2018*

#### **Abstract**

Who is Gifted? What is Talent? It is sometimes a challenge to identify Gifted and Talented Children with different cultural backgrounds. Even though it is very important to understand the hidden potential in a child as soon as possible. In this presentation, I will share my experiences that I made after years working with gifted children from all around the world. There are many factors that we should analyze first when we want to support them in 21st century.

**Keywords:** Children, Talent, challenge.
